PHILOSOPHY OF REGENERATION®

The formula for Fortune Delight® is based on the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health. Fortune Delight® supports the body’s natural cleansing process, refreshing and hydrating your body with a delicious blend of herbal nutrients and antioxidants.

Most beverages are simply juices, ground-up leaves, or sugary water. Fortune Delight® is a “super beverage” because of our high-tech, trade-secret process. To make Fortune Delight®, we extract and concentrate the beneficial elements of *Camellia sinensis* to form a concentrated herbal base. Then we spray-dry a proprietary blend of concentrated herbal extracts onto the base. This unique process enhances the release of natural antioxidants from the herbs and improves the delivery of vital micronutrients.
