### FAQS

**Q:** I feel fine. Why should I take Quinary®?

**A:** In keeping with Chinese tradition and the Philosophy of Regeneration®, daily maintenance of the body with proper nutrition is key to preventing physical malfunction. Dr. Chen created Quinary® as a convenient way to keep the body's five major systems in balance.

Quinary® supplement helps maintain health rather than waiting for the body to malfunction. It addresses the body's systems collectively as well as individually. Although it is very difficult to achieve with a formula as complex as this one, our blended herbs are maintained without preservatives or synthetic chemicals.
