### TOUGH ON FINE LINES AND WRINKLES, EASY ON THE EYES

The delicate skin around the eyes is the first to show signs of aging, but Sunrider has the solution. Oi-Lin<sup>®</sup> Eye Cream is a concentrated herbal eye treatment that moisturises and smooths skin, while reducing the appearance of puffiness and dark circles, leaving skin looking and feeling healthy and refreshed.

### PHILOSOPHY OF REGENERATION<sup>®</sup>

Based on the Philosophy of Regeneration<sup>®</sup>, Oi-Lin<sup>®</sup> Eye Cream is formulated to work in harmony with the skin to promote health and natural beauty. Like all Sunrider<sup>®</sup> skin care, it's made with only the finest plant-based ingredients and contains no pore-clogging mineral oil or animal by-products. Our eye cream is uniquely formulated with a select array of natural ingredients, including pea extract, shea butter, cucumber extract, and plant-origin peptides to provide multiple benefits for the health and beauty of your skin.

### INGREDIENT HIGHLIGHTS

#### HYALURONIC ACID

Hyaluronic acid holds up to 1,000 times its weight in water, making it an excellent natural moisturiser and skin plumper.

#### PEPTIDES

These amino acids are the building blocks of proteins in the skin. They can support collagen production, promoting firmer, smoother, and more youthful-looking skin.

#### VITAMIN B5

Pantothenic acid, also known as vitamin B5, offers plumping and moisturising benefits that reduce the appearance of fine lines and wrinkles.

### FAQS

**Q:** Why is a special treatment needed for the eye area?

**A:** The skin around the eyes is 6–10 times thinner than the skin on your face, and it ages much faster than other areas.

### RECOMMENDATION

Apply to the skin around the eye area in a gentle dabbing motion morning and night. Follow with Dr. Chen<sup>®</sup> Refining & Lifting Cream and Oi-Lin<sup>®</sup> Replenish Gel. Store product in a dark area to preserve the effectiveness of the ingredients.
