Keep VitaDelight™ handy in your desk drawer or bag, to stop you reaching for that unhealthy mid-morning snack or afternoon treat. This whole food concentrate, like NuPlus®, is created to be your dietary friend by filling in the nutritional gaps and supplying the added benefit of fibre.

VitaDelight™ contains beneficial ingredients such as, coix fruit, a powerful antioxidant, and soy protein, which is highly nutritious and easy to digest. This product is an ideal alternative for dieters tired of meal replacement shakes, which may contain unhealthy ingredients such as artificial sweeteners. It is also convenient for those who require easily digestible food.

VitaDelight™ Advantage

- Formulated with Coix fruit and Fructooligosaccharide (FOS) a probiotic soluble fibre carbohydrate that supports growth of beneficial bacteria.
- Two serves a day fulfill 100% of daily requirements of Vitamins A, E and B12 and Folate.
- No chemically processed or animal based protein powders.
- Good supplement for those who require easily digestible food.
- Ideal for dieters as an alternative to other weight loss supplements that may include questionable ingredients like artificial sweetener and ephedra.
