CERTIFIED

BENEFITS

- Diminishes the appearance of fine lines and wrinkles
- Brightens and rejuvenates dull skin
- Reduces the appearance of large pores
- Smooths and refines skin texture

RENEW AND REVITALIZE YOUR SKIN

This “smart” formula provides targeted repair for problem areas of the skin. Potent yet precise, this remarkable cream transforms the appearance of damaged or problem skin without harming surface skin cells. Plant-derived alpha hydroxy acids (AHAs) help accelerate the skin’s natural cycle of renewal and rejuvenation by exfoliating surface cells that dull the complexion. Oi-Lin® Rebuild Cream also contains intense concentrations of herbal extracts, essential oils, and antioxidants, all of which work in harmony with the skin to help achieve a healthy, youthful look by decreasing the appearance of fine lines and wrinkles.

PHILOSOPHY OF REGENERATION®

Based on the Philosophy of Regeneration®, Sunrider® products are formulated to work in harmony with the skin to promote skin health and natural beauty. Expertly crafted with a wealth of the finest plant extracts from around the world, our skin care contains no mineral oil or animal by-products to ensure pores won’t be blocked or suffocated. Oi-Lin® Rebuild Cream specifically supports the cleansing and exfoliating cycle of the skin.

INGREDIENT HIGHLIGHTS

ALPHA HYDROXY ACIDS (AHAS)

These naturally occurring acids exfoliate skin, stimulate the growth of collagen, and promote increased blood flow to the skin to minimize fine lines and promote a healthy radiance.

JOJOBA SEED OIL

A natural emollient, jojoba oil’s similarity to sebum allows it to absorb easily into skin, making it a gentle, skin-softening moisturizer for all skin types.

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturizing effects. Its potent humectant properties also promote skin softness and plumping hydration.

FAQS

Q: What other products should I use?

A: Skin is especially vulnerable during exfoliation. Start with a two-step cleansing process (Oi-Lin® Cleansing Cream and Oi-Lin® Revitalizing Cleanser). Then use Oi-Lin® Facial Toner, followed by Oi-Lin® Rebuild Cream. During the day, make sure to protect your skin by using an SPF formula like Oi-Lin® Sunmilk Sunscreen SPF 25.

RECOMMENDATION

Apply Oi-Lin® Rebuild Cream on the face and neck after cleansing and toning. For best results, apply over Oi-Lin® Exceptional Cream or Oi-Lin® Supreme Emulsion. Be careful to avoid the eye area.
