- Lightweight, absorbs fast
- Made with herbal extracts

Product Fact Sheet Kandesn® After Shave

FOR SKIN THAT LOOKS AND FEELS ITS NATURAL BEST

Kandesn® After Shave is a natural alternative to many of the harsh, stinging, and overly fragranced after shaves on the market. Its unique natural formula of herbal extracts, amino acids, natural oils, combine with emollients such as royal jelly to condition and hydrate the skin. Extremely calming and soothing, it helps to tone and refresh skin with a gentle, lightly scented formula.

PHILOSOPHY OF REGENERATION®

Kandesn® products are formulated using the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health. These products are pH balanced so they work with your skin, protecting it with the perfect balance of alkaline and acidic qualities. Kandesn® After Shave's formula is lightweight and is absorbed into the skin quickly and easily, leaving no stickiness behind.

INGREDIENT HIGHLIGHTS

ORCHIS MASCULA FLOWER EXTRACT

This extract from the exotic orchid flower moisturizes, soothes, and conditions skin. It also has antioxidant properties to help combat the skin-aging effects of free radicals.

ALOE VERA GEL

Aloe vera is rich in vitamin C, E, and beta carotene, which gives it its nourishing and anti-aging qualities. It moisturizes the skin without making it greasy, so it's suitable for those with oily skin.

ROYAL JELLY

A honey bee excretion, royal jelly nourishes the skin with B vitamins and protective antioxidants.

TEA TREE OIL

This essential oil gently cleans the pores of a fresh-shaved face, leaving skin feeling soothed, clean, and refreshed.

FAQS

Q: Why do I need to use an after shave?

A: A superior quality product like Kandesn® After Shave can help to prevent discomfort that may occur following a shave. Shaving can remove the outermost layer of your skin, which can cause irritation and dryness. Applying after shave provides protection and lubrication for your skin. Kandesn® After Shave also contains natural emollients with antioxidants that soothe, moisturize, and protect.

RECOMMENDATION

Apply Kandesn® After Shave liberally to face after shaving or as desired.
