The pack features **SunTrim® Plus** herbal weight-loss capsules; **VitaShake® Strawberry**, a whole-food shake; **SunBar® Oatmeal Raisin** energy bar; and our signature antioxidant beverage, **Fortune Delight®**.

## PHILOSOPHY OF REGENERATION®

All Sunrider® products are based on the Philosophy of Regeneration®, the concept of cleansing and nourishing the body to promote balance and optimal health.

Fortune Delight® and SunTrim® Plus are specially formulated with powerful antioxidants and herbal extracts to cleanse the body from the inside, protecting it from free radicals and assisting in the removal of fat and toxins. After the body is cleansed of toxins and waste, nutrients need to be replenished, which is where nutrient-dense products like SunBar® and VitaShake® come into play.

Formulated from highly concentrated whole foods and select herbs, these convenient, great-tasting foods provide a complete array of vitamins, minerals, fiber, GMO-free soy protein, and healthy fatty acids that the body can easily absorb and use.
