

Product Fact Sheet

Oi-Lin® Natural Emulsion Sunscreen SPF 30

PROTECT AND PERFECT

This sunscreen does it all. Highly concentrated antioxidant vitamins A, B, and E synergize with citrus and herbal extracts to help skin maintain its youthful elasticity and diminish visible signs of aging. The SPF 30 formula is readily absorbed into the skin and provides intensive moisture that leaves skin feeling soft, smooth, and hydrated, making it great for dry, sun-damaged skin. The broad-spectrum formula ensures superior protection from the sun's harmful UVA/UVB rays and the signs of premature aging. The light fresh lemon scent is pleasantly uplifting, while the super-concentrated creamy formula means a little goes a long way.

PHILOSOPHY OF REGENERATION®

Sunrider uses only the finest vegetable-based ingredients and herbal extracts to nourish, cleanse, and balance the skin to promote skin health and natural beauty. We use only mineral (physical sunblock) active ingredients like titanium dioxide in our sunscreens to block and reflect UV rays. We don't use chemical-based sunscreen agents, which can penetrate the skin.

INGREDIENT HIGHLIGHTS

SWEET ALMOND OIL

This essential oil has soothing properties and nourishes all skin types. Delicate and light, it's easily absorbed and helps replenish lost moisture and oil.

CAMELLIA SINENSIS

This green tea plant contains powerful antioxidants called catechins that help fight damage caused by free radicals. It also has soothing properties that can remedy the appearance of skin damage caused by sun exposure.

JOJOBA OIL

This natural moisturizer helps to reduce skin dryness and roughness. Its skin-softening abilities help minimize the appearance of fine lines and wrinkles and promote suppleness and elasticity. Naturally rich in antioxidants, it's both moisturizing and protective.

JASMINE FLOWER

This aromatic floral extract provides skin with powerful antioxidants to protect it from environmental stressors known to prematurely age skin. Jasmine extract can also help maintain the skin's elasticity and reduce dryness by balancing its moisture levels.

FAQS

Q: What type of skin is this product best suited for?

A: This product is ideal for dry, mature, or normal skin. Oilier skin types may prefer Oi-Lin® Sunmilk Sunscreen SPF 25 or Oi-Lin® Deep Moisture Lotion Sunscreen SPF 25, but they can still use this sunscreen formula. Oi-Lin® Natural Emulsion Sunscreen SPF 30 is free of PABA (which can cause allergic reactions) and benzophenones (which can cause contact dermatitis). It's also non-comedogenic, so it won't clog your pores and cause or worsen acne.

RECOMMENDATION

Apply Oi-Lin® Natural Emulsion Sunscreen SPF 30 on face and other areas of the body to create a natural barrier between your skin and the harmful effects of the sun. Reapply every two hours if outdoors.
