Kandesn® Moisturizing Lip Colors aren't just safe and good for your skin, they're so beautiful, moisturizing, and of such high quality, you'll never go back to your old lipsticks. Rich, creamy, and conditioning, our Lip Colors are formulated for maximum color impact, a smooth look, and a comfortable feel.

PHILOSOPHY OF REGENERATION®

Because women inadvertently ingest their lipsticks while wearing them, Sunrider has created a vegetable-based lipstick that's completely safe and "good enough to eat." Our Lip Colors are made with skin-friendly, plant-based ingredients such as vegetable-origin squalane—a premium-quality natural oil that works in harmony with the body's own oils.

INGREDIENT HIGHLIGHTS

CASTOR SEED OIL

A type of vegetable oil, castor seed oil is used as an emollient to maintain soft, supple lips and skin.

WHEAT GERM OIL

An emollient rich in vitamin E, wheat germ oil enhances the appearance of dry or damaged skin by reducing flaking and restoring suppleness.

VEGETABLE-ORIGIN SQUALANE

Squalane derived from olive oil has powerful antioxidant properties and delivers a moisturizing effect that helps restore lost oils.

FAQS

Q: Why are Kandesn® Moisturizing Lip Colors better than other brands?

A: Many bargain brands cut corners and use cheap ingredients that can damage your skin and even be harmful to your health. Lipsticks are not only absorbed through the skin, but also ingested, which is a particular concern. Users of our Kandesn® brand instantly notice that our lipsticks don't have the taste, smell, or feel of candle wax or chemicals associated with the cosmetic impurities of many retail brands. Made with the finest natural ingredients, our lipsticks allow your lips to breathe—and look beautiful.

APPLICATION TIPS

Daytime business: Blend two or more colors together to create your own hues, and then apply your favorite Kandesn® Lip Gloss color over the top for a professional finish.

Nighttime glamour: Apply your favorite Kandesn® Lip Liner Pencil, and then add your Kandesn® Moisturizing Lip Color or create your own blend. Add highlights to your lips with a color from the Kandesn® Lip Gloss Palette for extra-luscious sparkle and shine.
