The Sunrider Difference

WHAT MAKES US DIFFERENT IS WHAT MAKES YOUR BUSINESS STRONGER

Our scientists hand-select herbs and use a nine-step proprietary process to extract only the most powerful part of the plant, from root to leaf, using precise methods to ensure potency, purity, integrity, and safety.

Sunrider® products provide a new level of nourishment that's as close to nature as you can get.

Owner Expertise

Our owners are doctors and trusted experts in Traditional Chinese Medicine and advanced science. They oversee the research, formulation, and manufacturing of all our products.

Philosophy of Regeneration®

Our products nourish (yin) and cleanse (yang) your body's five systems with a precise combination of nutrients to promote balance, and thus optimal health and energy.

Clean Foods, Not Chemicals

Our products are made with nutrient-rich whole foods, not synthetic vitamins, GMOs, and artificial ingredients. Most are kosher and halal certified too.

Variety of Ingredients

There is no perfect food or ingredient—and too much or too little of any one can unbalance your body. Our products give you a vital variety of whole foods.

Leaders in Herbal Nutrition

While most companies outsource manufacturing, we control every aspect to personally ensure potency, purity, integrity, and safety.

The Art of Herbal Science®

THE JOY OF LIFE IN BALANCE

Our IBOs exclusively sell more than 400 natural products in nearly 50 countries and regions around the world.

More Is More

It takes an incredible 10 kg of raw herbs to get 1 kg of ingredients that meet proprietary Sunrider standards. Our bestselling Quinary® contains more than 50 herbs alone.

* Earnings stated are not necessarily representative or typical of earnings Sunrider Independent Business Owners (IBOs) can or will earn through participation in the Sunrider Infinity Compensation Plan. These statements should not be considered as guarantees or projections of your actual earnings or profits. "Average Annual Income" of active Sunrider IBOs was calculated by first calculating the average "Monthly Income" IBOs at each rank made only in the months they were active. These one month averages were then annualized by multiplying by twelve months in order to come up with the "Average Annual Income." The calculated average annual income of an active IBO is \$5,374.47. An active Sunrider IBO is an IBO who has 100 PV or more in a month. During 2018, 29% of all IBOs, active and inactive, on an average, received a payment. As with any other independent business, success results only from dedicated sales efforts, hard work, diligence, and leadership.
